INDEPENDENT AUDITORS' REPORT

Board of Directors Navigator Schools Gilroy, California

Report on the Financial Statements

We have audited the accompanying financial statements of Navigator Schools (Navigator), a California nonprofit public benefit corporation, which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to on page 1 present fairly, in all material respects, the financial position of Navigator as of June 30, 2019, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on Navigator's financial statements as a whole. The CMO, Gilroy Prep, Hollister Prep, and Watsonville Prep columns in the statements of financial position, activities and cash flows as well as the accompanying supplementary schedules as identified in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated December 4, 2019 on our consideration of Navigator's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness on Navigator's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Navigator's internal control over financial reporting and compliance.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Navigator Schools (Navigator) is a California nonprofit public benefit corporation and is organized to manage and operate public charter schools. The mission of Navigator is to develop students who are proficient or advanced on the California state standards test and to prepare them to excel in college and the work place.

Navigator is funded principally through state of California public education monies received through the California Department of Education. The charters may be revoked by the sponsors for material violations of the charter, failure to meet pupil outcomes identified in the charter, failure to meet generally accepted standards of fiscal management, or violation of any provision of the law.

Basis of Presentation

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America as prescribed by the Financial Accounting Standards Board.

Basis of Accounting

The financial statements have been prepared on the accrual method of accounting and accordingly reflect all significant receivables and liabilities.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses

The cost of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and support services benefited.

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include occupancy, depreciation, and amortization, which are allocated on a square footage basis, as well as salaries and wages, benefits, pension expenses, and payroll taxes which are allocated on the basis of estimates of time and effort.

Cash and Cash Equivalents

Navigator defines its cash and cash equivalents to include only cash on hand, demand deposits, and liquid investments with original maturities of three months or less.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Net Asset Classes

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – We report contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Accounts Receivable

Accounts receivable primarily represent amounts due from federal and state governments as of June 30, 2019. Management believes that all receivables are fully collectible; therefore no provisions for uncollectible accounts were recorded.

Property, Plant and Equipment

Property, plant, and equipment are stated at cost if purchased or at estimated fair value if donated. Depreciation is provided on a straight-line basis over the estimated useful lives of the assets, ranging from 5 years to 10 years. Navigator capitalizes all expenditures for land, buildings, and equipment in excess of \$5,000.

Property Taxes

Secured property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on September 1 and are payable in two installments on or before November 1 and February 1. Unsecured property taxes are not a lien against real property and are payable in one installment on or before August 31. Santa Clara and San Benito Counties bill and collect property taxes for all taxing agencies within the Counties and distributes these collections to the various agencies. The sponsor agencies of Navigator Schools are required by law to provide in-lieu property tax payments on a monthly basis, from August through July. The amount paid per month is based upon an allocation per student, with a specific percentage to be paid each month.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Revenue Recognition

Amounts received from the California Department of Education are recognized as revenue by Navigator based on the average daily attendance (ADA) of students. Revenue that is restricted is recorded as an increase in net assets without donor restriction, if the restriction expires in the reporting period in which the revenue is recognized. All other restricted revenues are reported as increases in net assets with donor restriction.

Contributions

All contributions are considered to be available for use unless specifically restricted by the donor. Amounts received that are restricted to specific use or future periods are reported as contributions with donor restrictions. Restricted contributions that are received and released in the same period are reported as promises to give without donor restrictions. Unconditional promises to give expected to be received in one year or less are recorded at net realizable value. Unconditional promises to give expected to be received to be received in more than one year are recorded at fair value at the date of the promise. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

Income Taxes

Navigator is a nonprofit entity exempt from the payment of income taxes under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes. Management has determined that all income tax positions are more likely than not of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required. The School is subject to income tax on net income that is derived from business activities that are unrelated to the exempt purposes. The School files and exempt School return and applicable unrelated business income tax return in the U.S. federal jurisdiction and with the California Franchise Tax Board.

Change in Accounting Principle

On August 18, 2016, FASB issued Accounting Standards Update (ASU) 2016-14, Not-for-Profit Entities (Topic 958) – Presentation of Financial Statements of Not-for-Profit Entities. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. The School has implemented ASU 2016-14 and have adjusted the presentation in these financial statements accordingly.

Evaluation of Subsequent Events

Navigator has evaluated subsequent events through December 4, 2019, the date these financial statements were available to be issued.

NOTE 2 LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure are those without donor or other restrictions limiting their use within one year of the statement of financial position date. Financial assets available for general expenditures comprise cash and cash equivalents and grants receivable for the total amount of \$4,041,024.

As part of our liquidity management plan, we invest cash in excess of daily requirements in short term investments and money market funds.

NOTE 3 CONCENTRATION OF CREDIT RISK

Navigator maintains cash balances held in banks and revolving funds which are insured up to \$250,000 by the Federal Depository Insurance Corporation (FDIC). At times, cash in these accounts exceeds the insured amounts. Navigator has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents.

NOTE 4 PROPERTY, PLANT AND EQUIPMENT

Property, plant, and equipment in the accompanying financial statements is presented net of accumulated depreciation. Depreciation expense was \$65,370 for the year ended June 30, 2019.

The components of property, plant, and equipment as of June 30, 2019 are as follows:

	Gilroy Prep	Hollister Prep
Land Improvements	171,448	17,744
Equipment, Furniture and Fixtures	322,341	231,163
Total	493,789	248,907
Less: Accumulated Depreciation	(241,107)	(58,354)
Total Property, Plant, and Equipment	\$ 252,682	\$ 190,553

NOTE 5 COMMITMENTS

Navigator (Gilroy Prep) signed a facility use agreement with the Gilroy Unified School District. The agreement carries a term that coincides with Navigator's charter. The agreement does not require Navigator to pay a lease amount for the use of the property, but instead Navigator pays a supervisorial oversight fees at 3% of Navigator's general purpose entitlement and categorical block grants. The supervisorial oversight fees recorded for the year ended June 30, 2019 were \$137,771.

Navigator (Hollister Prep) signed a facility agreement with Hollister Unified School District starting July 1, 2013 which requires Navigator to pay 3% of Hollister Prep School's general purpose entitlement and categorical block grants for the property. The supervisorial oversight fees recorded for the year ended June 30, 2019 were \$132,789.

NOTE 6 EMPLOYEE RETIREMENT

Multi-employer Defined Benefit Pension Plans

Qualified employees are covered under a multi-employer defined benefit pension plan maintained by agencies of the state of California.

The risks of participating in this multi-employer defined benefit pension plan is different from single-employer plans because: (a) assets contributed to the multi-employer plan by one employer may be used to provide benefits to employees of other participating employers, (b) the required member, employer, and state contribution rates are set by the California Legislature, and (c) if Navigator chooses to stop participating in the multi-employer plan, it may be required to pay a withdrawal liability to the plan. Navigator has no plans to withdraw from this multi-employer plan.

State Teachers' Retirement System (STRS)

Plan Description

Navigator Schools contributes to the State Teachers' Retirement System (STRS), a costsharing multi-employer public employee retirement system defined benefit pension plan administered by STRS. Plan information for STRS is not publicly available. The plan provides retirement, disability and survivor benefits to beneficiaries. Benefit provisions are established by State statutes, as legislatively amended, within the State Teachers' Retirement Law. According to the most recently available Comprehensive Annual Financial Report and Actuarial Valuation Report for the year ended June 30, 2018, total STRS plan net assets are \$225 billion, the total actuarial present value of accumulated plan benefits is \$374 billion, contributions from all employers totaled \$4.9 billion, and the plan is 62.6% funded. The Navigator did not contribute more than 5% of the total contributions to the plan.

Copies of the STRS annual financial reports may be obtained from STRS, 7667 Folsom Boulevard, Sacramento, CA 95826, and www.calstrs.com.

NOTE 6 EMPLOYEE RETIREMENT (CONTINUED)

State Teachers' Retirement System (STRS) (Continued)

Funding Policy

Active plan members hired before January 1, 2013 are required to contribute 10.25% of their salary and those hired after are required to contribute 9.205% of their salary. The Navigator is required to contribute an actuarially determined rate. The actuarial methods and assumptions used for determining the rate are those adopted by the STRS Teachers' Retirement Board. Under the 2014 funding plan, employer contributions on compensation creditable to the program will increase every year for the next seven years, up to 19.10% in 2020–21. The required employer contribution rate for the year ended June 30, 2019 was 16.28% of annual payroll. The contribution requirements of the plan members are established and may be amended by State statute.

Navigator's contributions to STRS for the past three years are as follows:

	Required	Percent
<u>Year Ended June 30,</u>	Contribution	Contributed
2017	\$ 371,226	100 %
2018	485,167	100
2019	670,287	100

NOTE 7 CHARTER MANAGEMENT ORGANIZATION

Navigator charges CMO fees to each charter for management services performed during the year. Navigator (Gilroy Prep) paid CMO fees of \$780,498 for the year ended June 30, 2019. Navigator (Hollister Prep) paid CMO fees of \$745,648 for the year ended June 30, 2019. These fees were eliminated in the financial statements.

NOTE 8 CONTINGENCIES

Navigator has received state and federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, management believes that any required reimbursement would not be material.

NOTE 9 SUBSEQUENT EVENTS

In August 2019, Watsonville Prep began serving students and on August 20, 2019 Watsonville Prep entered into a 4 year Charter School Revolving Loan for the fiscal years 2020-2023 in the amount of \$250,000.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors Navigator Schools Gilroy, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Navigator Schools (Navigator), a nonprofit California public benefit corporation, which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, cash flows, and functional expenses for the year then ended, the related notes to the financial statements, and have issued our report thereon dated December 4, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Navigator's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Navigator's internal control. Accordingly, we do not express an opinion on the effectiveness of Navigator's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency or a combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of the financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Navigator's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

We have audited Navigator Schools' (Navigator) compliance with the types of compliance requirements described in the 2018-2019 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Audit Appeals Panel for the year ended June 30, 2019. An audit includes examining, on a test basis, evidence about the Navigator's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion on state compliance. Our audit does not provide a legal determination of Navigator's compliance.

STATE AWARDS (RELATED TO THE HOLLISTER PREP LOCATION ONLY):

<u>2019 – 001 Unduplicated Local Control Funding Formula Pupil Counts</u> 40000

Criteria: Education code section 42238.02 (b)(2) requires a charter school to submit its enrolled free and reduced-price meal eligibility, foster youth and English learner pupil-level records for enrolled pupils using the California Longitudinal Pupil Achievement Data System (CalPADS). The CalPADS 1.17 and 1.18 reports should accurately report the number of students eligible for free and reduced price meals and those identified as "English Learners."

Condition: During testing of Hollister Prep we compared students' family income per Free and Reduced Price Meal (FRPM) eligibility applications to the Income Eligibility Scales for 2018-19, and found that the School inaccurately reported students as eligible for free or reduced price meals.

NAVIGATOR SCHOOLS SCHEDULE OF FINDINGS AND QUESTIONED COSTS YEAR ENDED JUNE 30, 2019

2019 – 001 Unduplicated Local Control Funding Formula Pupil Counts 40000

Effect: Hollister Prep is not in compliance with Education code section 42238.02 (b)(2). The 1.17 and 1.18 Reports contained errors as follows:

Charter School Audit Adjustments to CALPADS Data - Hollister Prep School, Inc. for June 30, 2019

Original		Updated		Net Change		LCFF Entitlement				
Enrollment Count	Unduplicated Pupil Count		Enrollment Count	Unduplicated Pupil Count		Enrollment Count	Unduplicated Pupil Count	Orignial Entitlement	Revised Entitlement	Adjustment
480	300		480	289			-11	3,227,766	3,227,766	-

Cause: The School was either unable to provide meal applications, or meal applications were marked as denied and erroneously entered into School's system and submitted to CalPADS.

Questioned Costs: A full file review was conducted, and as a result 11 students were included in the CalPADS report as eligible for free or reduced meals for which supporting documentation indicated they were not eligible. Revised entitlement had no impact on LCFF Entitlement.

Repeat Finding: This is not a repeating finding.

Recommendation: We recommend that the School employ additional monitoring processes to review the Free and Reduced Price Meal (FRPM) eligibility data to ensure that reporting errors are minimized and corrections are made on a timely basis.

Views of responsible officials and planned corrective actions: The management of Navigator Schools accepts this finding. As a result of this audit, the School has developed additional monitoring processes to ensure accuracy in the reporting of student eligibility for the Free and Reduced Lunch Program (FRPM). The monitoring process includes having three independent persons review the income verification form before submitting to state.
